Terminating your energy contract couldn't be simpler

At SÉOLIS, we know that moving out is tiring and creates a lot of red tape. To help you out and free up your time, SÉOLIS offers you the possibility of terminating your energy contract easily.

No need to go to the agency,

- You have Linky electric meter** : contact us a few days before your move to schedule the termination of your contract. No retroactive effect will be applied.
- You have an electronic or electro-mechanical electric meter** : on your departure day, simply switch off the electricity at the fuse box, copy down the index on your meter, fill in this document and send it within 48 hours to:

SÉOLIS - Direction Commerciale
336 avenue de Paris - CS 98536
79025 NIORT Cedex

by phone
or by E-mail to redaction@seolis.net

N°Cristal 0 969 397 901
CALL WITH NO SURCHARGE

As soon as we receive it, your contract will be terminated and your adjustment bill will be sent to you at your new address.

CAREFUL ! If we do not receive this form, you remain the holder of your contract and will have to pay for the power consumed after your departure.
